**“I commend the baby milk issue to the concern of all members of the diocese... Boycoting the products of firms that continue this practice is a positive form of protest. It is right for Christians to take this matter to heart and speak out against it.”**

The Bishop of Leicester
“Nothing could be more important for future generations than the way young babies are fed. I am encouraging all our supporters in the Labour movement not to buy Nescafé until Nestlé stops undermining breastfeeding.”

Glenys Kinnock MEP, Chair of One W orld
